Turn around every now and then I get a

little bit terrified and then I see the look in your eyes

Turn around Bright eyes

Every now and then I fall apart

Turn around Bright eyes

Every now and then I fall apart

gath-er we can take it to the end of the line, Your
love is like a shadow on me all of the time.

I don't know what to do and I'm always in the dark. We're living in a powder keg and giving off sparks.

I really need you tonight.

For ever's gonna start tonight, for ever's gonna start tonight.
Night
Once upon a time I was falling in love, But now I'm only falling apart

There's nothing I can do, a total eclipse of the heart

Once upon a time there was light in my life, but now there's only love in the dark
VERSE:

No thing I can say
A total eclipse of the heart

VERSE 3:

Turn around
Every now and then I know you'll never be the boy you always wanted to be
Turn around.
But every now and then I know you'll always be the only boy who wanted me the way I am
Turn around.
Every now and then I know there's no-one in the universe as magical and wonderous as you
Turn around.
Every now and then I know there's nothing any better there's nothing that I just wouldn't do

CHORUS:

Turn around bright eyes
Every now and then I fall apart
Turn around bright eyes
Every now and then I fall apart

MIDDLE:

And I need you tonight, and I need you more than ever
And if you'll only hold me tight we'll be holding on forever
And we'll only be making it right cause we'll never be wrong together
We can take it to the end of the line,
Your love is like a shadow on me all the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight, forever's gonna start tonight,
forever's gonna start tonight
Once upon a time I was falling in love, but now I'm only falling apart
Nothing I can do, a total eclipse of the heart
Once upon a time there was light in my life, but now there's only love in the dark
Nothing I can say, a total eclipse of the heart
A total eclipse of the heart
Turn around bright eyes
Turn around bright eyes
Turn around
